

The Kingdom of God depends on Jesus' _____
and _____

Here's how...

We need to _____ him and _____ to him

How easy do you find it to know Jesus as your King and listen to him...

Difficult

Easy

...and make sure you talk through the things you have written on this sheet with your parents/guardians after the sermon!

Matthew 17 v1-13

Jesus as he really is

Just imagine that you are in Buckingham Palace....

You meet a lady who offers to make you a 'Sir' or a 'Dame'.
Would you listen to her?

Yes No

You meet the same lady later on... only you realise she is
actually the Queen! Now would you listen to her?

Yes No

the BIG idea of Matthew 17 v1-13...

Jesus is the glorious Son of God '-----' with -----

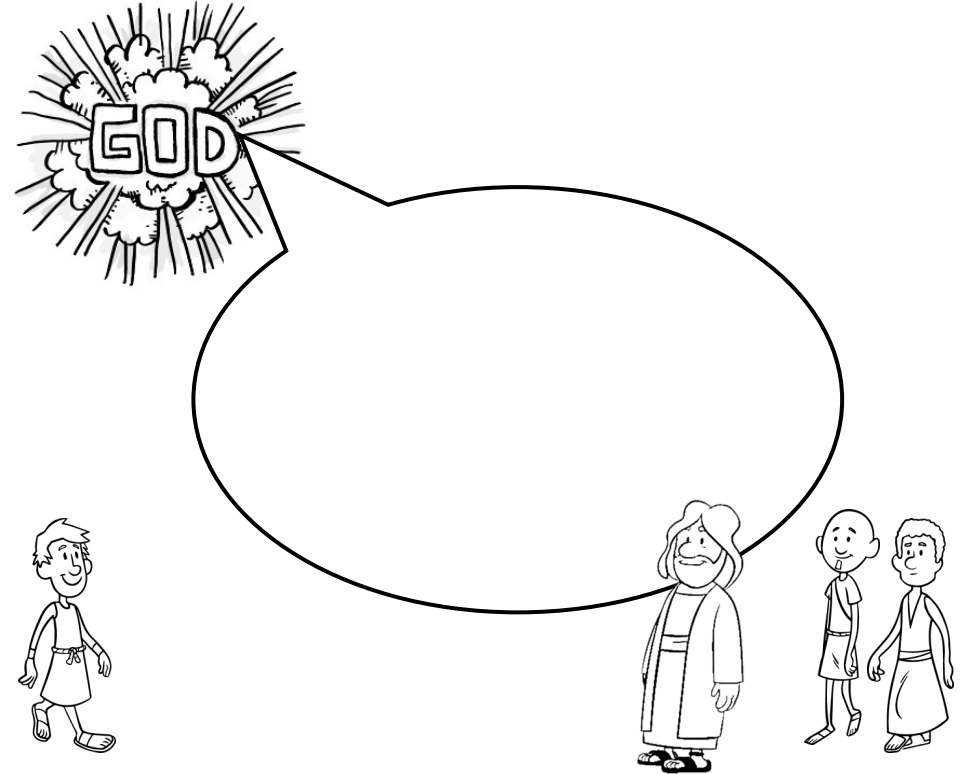

Transfigured: When a person's appearance changes to be something more amazing or more brilliant!

Draw one picture of how Jesus looked before and after he was transfigured,
...and then draw another picture of how Jesus looked while he was transfigured.

<p>Before / after...</p>	<p>Transfigured (see v2)...</p>
--------------------------	---------------------------------

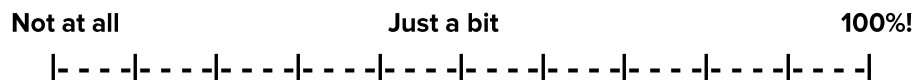

Jesus was a human being, pretty much like you and me. But Jesus was also God's Son, so he was fully God. When Jesus was transfigured, his glory as God shone through his human nature so that the disciples could see what he is really like!

In v5, what does God say that makes his disciples afraid?

Totally God OR totally Man... Totally God AND totally man?

Mark on this scale how much Jesus was a human being...

Now mark on this scale how much Jesus was the glorious Son of God...
